Program Overview

*The Entrepreneurship & Business Mastery Program equips participants with the **mindset, skills, and financial literacy** needed to launch, scale, and sustain successful businesses. Designed for workforce development, re-entry populations, and aspiring entrepreneurs, the program blends **personal growth with practical business training and financial empowerment**.*

Format: Monthly

Delivery: In-person, virtual, or hybrid

Flexible curriculum can be tailored for youth, adults, or re-entry populations.
